their reach; they are firm and impregnable.

The Sag-Nichts dare not attack them, for they will know that the more they are canvasced and explained the invalved himself by his base conduct inward Mr. Clay In 1825. The organs here and elections are also and explained the more captured by the results of the consistency, sound nationality.

After trying every other species of previous forms of the consistency must be reached the norm to of the Day and the more captured by the case with the great mass of those who attended the Ciocini at convention and of the Day and the more they are canvasced.

This was the case with the great mass of those who attended the Ciocini at convention and of the Day and the case with the great mass of those who attended the Ciocini at convention and of the Day and the case with the great mass of those who attended the Ciocini at convention and of the Day and the case with the great mass of those who attended the Ciocini at convention and of the Day and the case with the great mass of those who attended the Ciocini at convention and of the Day and the case with the great mass of those who attended the Ciocini at convention and of the Day and the case with the great mass of those who attended the Ciocini at convention and of the Day and the case with the great mass of the case with the great mass Mr. Clay ln 1825. The organs here and elsesub ect of the charge of bargain and corruptior.

is belt an attocious calumny. He knew that the himself had, and he knew it could be proved that be had, sought out Mr. Clay, and, in the presence of a distinguished witness, profigred to him, with an assumption of au hority, the ence in favor of Gen. Jackson, and that the profigred contempt. Of course he was perfectly aware that he charge of bargain and corrustion, which had originated in a communication made by himself to Gen Jackson, was as false as the vitest of pring of the falter of less.

In the Sag-Nicht of g is of this city. They are diculed in Bull to onty, but they are interested to produce an impression in other parts of the activation of the antiquest hell by Mr. wakevers the impure are included in Bull to onty, but they are interested to produce an impression in other parts of the produce an impression in other parts of the produce an impression in other parts of the sate and inother states where their falsity and fraid gainty and a distinguished witness, profigred to but the produce an impression in other parts of the produce an impression in other parts of the sate and mother states where their falsity and fraid gainty and are not suspected. We warn our friends everywhere against such about mable truckery.

The Tuse mbra North Adamsine sayes:
We are in for Filmore and Donelson, and fraid gainty and fraid gainty and fraid gainty and the impure are inhaled under the bed of life. We are in for Filmore and Donelson, and fraid gainty and fraid gainty and fraid gainty and fraid gainty and the impure are inhaled under the bed club to receive a trucker of the cart of the impure are inhaled under the bed club to receive a trucker of the cart of Filmore and Donelson, and fraid gainty and the impure are inhaled under the bed club the receive are in for Filmore and Donelson, and fraid gainty and the impure are inhaled under the bed club to receive the false of the sate and in other states. All in favor of the cart of the cart of the cart of the cart of the cart

sent in temporal composed processing and composed proc

Mr. Buchanar in cannection with the hargain and corruption cantroversy as an honorable and electric of the damning then we knew nothing of the damning are facts since developed. We had no knowledge or suspicion that Mr. B. chear, while the predential election was pending in Congress and the control of the control Bucha an an honorable man is felly proved by his own final publication upon the subject of the harcain a decorption leader, a d most certainly we should rever have dreamed of regarding him as an honorable in no fell we had a controlled that his open of the location of the controlled that the played in that most missrable diffair how the matter took his Bucha also wind for putting his provided from the fact that even the learning Degrate and the played in the matter trick his Bucha also wind the mand of it, but that is no proof that he did not have tribled between the learning of the same with the played and manded the provided from the fact that even the learning Degrate in Fenning Liver and the provided from the fact that even the learning of the same with the played in the provided from the fact that even the learning of the same with the played in the provided from the fact that even the learning of the same with the played in the provided from the fact that the provided from the fact that have been charged with a ying. We have never the provided from the fact that the second trip, and the provided from the fact that the second trip and controlled from the fact that the second trip and the provided from the fact that the second trip and the provided from the fact that the second trip and the fact the state of the second trip and the fact the state of the second trip and the provided from the fact that the second trip and the fact the state of the second trip and the fact the state of the second trip and the fact the state of the second trip and the fact the state of the second trip and the fact the state of the second trip and the fact the state of the second trip and the fact the state of the second trip and the fact the state of the second trip and the fact the state of the second trip and the fact the state of the second trip and the fact the state the should be and the second trip and the second trip and the second trip and trip and th

They tried detuncts to and abuse bu failed in this way to arrest the progress of A erica. i m, for, wherever the price plea of the party. We seem will up all y the national were made known and dere ood, they inner a national matter and the were made knimen and deterstood, they into estimately look a deep and still global upon his affections and the judge at so of the people, which could not be looked by detraction and vill fication. They sought to crive Democrate from the embrace of American party "only a Will gradient of the sought to determine the proclaiming the American party "only a Will gradient of the whole Democratic party of Mashitton had been supported by the proclaiming the American party "only a Will gradient of the Willowshitten who be Democratic party of Mashitton had been supported by a systematic attempt to galaxies to be understood then the the Democratic party of Mashitton had been supported by a systematic attempt to galaxies to be understood then the the Democratic party of Mashitton had been supported by a systematic attempt to galaxies to be understood then the the Democratic party of Mashitton had been supported by a systematic attempt to galaxies to be understood the supported by the suppo LARRY B. WHITE.

They then endeavored to 1 ie wings from its ranks by a systematic attempt to ga value 1 o a semblance of vitality the corpe of chil-lie by Charles Sumner's foll speeches into his self, were be in which and are re-possible for them. But is it be understood then that the Democracy a privilege which and are re-possible for them. But is it is and order to possible for them. But is it is a shame that the Democracy, after putting the liarkity the corpe of chil-lie by the patient effices before, their displayed in the patient effices before, their displayed in the patient effices before, their displayed in the patient efficies before the patient efficies b largest circulation in the city and conble the circulation in the country of any

Exactly so.—We find the following in several of or excla get their reach; they are firm and impregnable.

where profess to give all the important pur-tions of the letter that Mr. Buchanan wrote. the Bot when called nut by General Jackson, upon the subject of the charge of barrain and corruptor. by when called nut by General Jackson, upon the subsect of the charge of bargain and corruptor. By the subsect of the charge of bargain and corruptor. By the important portions of the letter, they are especially careful not to do so. The knaves are very particular to cu' out the purtoen in which Mr. Buchanani when letter, "so far as any charge at I not be given in each of the people." We have severally agained bis own settled opinion that Mr. Cay and Mr. Adams made between the meetives is corrupt bargain. They pretend to give his entire letter, "so far as any charge at I Mr. Clay or his friends is concerned," and ye' they take especial pains to omit the following passage in publishing the rest of the letter.

The feature of the court, which is any charge at I may be the proposed of the p their readers he fact that Mr. Buchanan in that leter charged the relations attesmen of Kenter office. Their cuttag out the passage in which the charge was made an implied is a deliberate set of front. It is the concealment of what they are ashamed and afraid to see expose. We say that Mr. Buchanan, in expressing the set of the charge was that Mr. Buchanan, in expressing the set of the charge was read and asked they are ashamed and afraid to see expose. We say that Mr. Buchanan, in expressing the content of the charge was read and asked they are ashamed and afraid to see expose. We say that Mr. Buchanan, in expressing the content of the charge was read and asked they are ashamed and afraid to see expose. We say that Mr. Buchanan, in expressing his own prete ded conviction that Mr. Cay said is varied in the mand signed for them, represented to be signed for t

and yet, with an unscrupulousness that should signate him for ever and ever in the estimation.

of all true and decent men, he signified his belief that Mr. Clay was guilty as charged. And, what is sufficiently most disgraceful and shameful and shameless of all, he actually had the meastspiritedness and the knavery, after this, to appeal earner'ly and piteously and repeatedly in Mr. Clay to forbear relieving himself of the their candidate. Now we have the confidence of the

when he found, very shortly aforewards, that the County aforewards, that the Charge continued to be repeated as ferred; per charge continued to be repeated as ferred; per charge of the fact that Mr. Buchanan, who had approached him for a burging and been reputled, 15th, usated of mrely denying Gen. Jacks and the same time expressing his conviction of Mr. Clay's guilt, have come out with an honset and direct and unequenced contraction of the while the while charge spoon the ground of personal knowledge. Then it was that he acothed Mr. Buchanan of his intention to do himself that full justice while Mr. Buchanan of his intention to rid himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed him his intention to rid himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed him his intention to rid himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed him his intention to rid himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed him his intention to rid himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed with the power is any so warming to him an address of the cevents of the monorable literative between himself and Mr. Buchanan had guiltly withheld from sim—outhed him his intention to rid himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed him his intention to rid himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed him his intention to rid himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed him his intention to rid himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed himself that full justice while Mr. Buchanan had guiltly withheld from sim—outhed himself that full justice while Mr. Buchanan had guiltly withhel

The application of the almost endess catalogue of his mand prevailed on the personal side country but the state of the sta

giving con teracre to that clarge, have bod'ty branded it on his nwn authority as a cruel calumny. That Mr. Clay did not con ider Mr.

Bucha an an honorable man is felly proved by the second of th
